

Flowmaster introduces the new 81068 manifold down pipes for Chevrolet small block engines. Designed for the 1964-1981 A-Body cars and 1967-1981 F-Body cars, these 409S stainless steel down pipes feature 3-bolt flanges to match the factory manifolds. Complete with new 'donut' gaskets and sleeves, these mandrel-bent 2.50" pipes will provide a leak-free link to a performance exhaust system.

Fabricated entirely in the USA for a perfect fit, and covered by Flowmaster's Limited Lifetime warranty for long term quality assurance.

Please call 1-800-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information.
