

For owners of 1959-1964 Chevy full-size cars, including Biscayne's and Impalas, Flowmaster is proud to introduce our new 409S stainless steel tailpipes, part number 81055. Designed to work with our 817413 Header-back pipe system, these pipes feature mandrel bends for maximum efficiency, and exit behind each rear tire in the original location. Made entirely in the US, the pipes come complete with all necessary hardware and step-by-step instructions for easy at-home or professional installation, and are protected by Flowmaster's Limited Lifetime warranty. Please call 1-800-544-4761 or visit www.flowmastermufflers.com for more information.
