

**NEW PRODUCT RELEASE**

Owners of 2003-2007 Dodge 2500 and 3500 turbo diesel trucks who have been searching for the ideal exhaust for their trucks now have the final answer. Flowmaster proudly introduces our new 409S stainless steel Force II system, number 817555. Engineered for all wheelbases, this Cat-back system is 50-state emissions legal, and provides the performance and fuel mileage gains you expect from Flowmaster.

Featuring our Laminar Flow Pro Series muffler and 4.00" mandrel-bent tubing, this single-exit system has a mild to moderate sound level inside and out. A full 5.00" polished, Flowmaster-embossed stainless tip finishes the system, while all necessary hardware and detailed instructions make it easy to install at home, or by a professional. Our Limited Lifetime Warranty provides assurance of our commitment to quality.
