

**NEW PRODUCT RELEASE**

In exciting news for Hummer H2 owners, Flowmaster introduces our newest 409S stainless steel Cat-back exhaust, part number 817530. Engineered for the 2003-2006 6.0L H2, this American Thunder system provides a significant performance increase along with a moderate performance tone.

Featuring our 50 Series HD muffler and a custom tuned resonator to provide a comfortable interior sound level, dual 2.50" tailpipes exit out the back of the vehicle with 3.00" brushed 304S stainless turn-down tips for a subtle performance look.

With detailed instructions and all necessary hardware included, the 817530 can be easily installed at home or by a professional. Like all Flowmaster stainless systems, our Limited Lifetime Warranty assures you of a quality product.

Please call 1-800-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information.
