

Powerhouse® Products Chrysler Hemi Camshaft Degree Kit

Memphis, TN – The new Hemi Camshaft Degree Kits from Powerhouse® Products include everything you need to degree a Hemi camshaft in one convenient package.

The Powerhouse® Products Hemi Camshaft Degree Kits contain all the tools necessary to correct any minuscule errors and tolerances from your 5.7L, 6.1L or 6.4L Hemi engine's machining processes that can affect camshaft timing. Degreeing is essential to properly position the camshaft for the absolute best performance for your engine, so you get the most horsepower and torque possible out of your application. Built specifically to fit Hemi engines, these degree kits contain everything required to degree a camshaft while the cylinder heads are off the engine. They come with a degree wheel, wire degree wheel pointer, cam checking fixture with metric adapter, 1" travel dial indicator, 5" dial indicator extension, crankshaft socket, TDC piston stop and instructions. Everything is stored securely in the included foam-padded, hard plastic case.

Quick Facts

Product: Powerhouse® Products Hemi Camshaft Degree Kit
