

DESCRIPTION

With the redesign of the Dodge Durango in 2011 and the addition of the 5.7L Hemi, this always popular SUV became an instant star. Flowmaster proudly introduces the finishing touch for the 2011-2012 Hemi Durango with our part number, 817564. Featuring custom-tuned 60 Series Delta Flow mufflers in the factory location, as well as our patented Scavenger X Pipe, this Force II system provides the performance you expect from Flowmaster, while delivering a moderate exterior sound and mild interior tone. With 2.50" mandrel-bent piping throughout, this all 409S Stainless Steel system incorporates 4.00" diameter fully polished stainless tips for a distinctive look. Detailed instructions and all necessary hardware allow for an easy installation either at home or by a professional, and our Lifetime Limited Warranty provides a lifetime of quality assurance. Please call 1-800-544-4761 or visit www.flowmastermufflers.com for more information.
