

DESCRIPTION

With the 2012 Focus, Ford has created an exciting, fun-to-drive car. Flowmaster has created the perfect exhaust for the 2012 Focus hatchback with our new 817552 Cat-back system. Manufactured proudly in the USA, this all-stainless steel Force II system features our 50 Series Delta Flow muffler for a sporty tone outside, while maintaining a moderate interior sound level. 2.25" mandrel-bent piping throughout delivers the best possible performance gains, while a 4.00" polished stainless tip gives the car the performance look you want. With fully detailed instructions and all necessary hardware the system is easily installed at home or by a professional, and our Lifetime Limited Warranty assures that this will be the last exhaust system the Focus will ever need. Please call 1-800-544-4761 or visit www.flowmastermufflers.com for more information.
