

## DESCRIPTION

For owners of Ford's popular 1999-2003 F250 and F350 trucks equipped with the 7.3L Powerstroke diesel, Flowmaster introduces our bolt-on turbo-back Force II exhaust, part number 817544. Featuring our patented Laminar Flow Pro Series muffler, this single 4.00" diameter exhaust provides a mild to moderate performance sound inside and out, while giving the truck the performance and mileage increases you expect from Flowmaster. Engineered on the vehicle, the system includes all necessary hangers and hardware, and exits behind the right rear tire with a full 5.00" polished stainless tip. Manufactured in the USA from heavy-gauge 409S Stainless Steel, this exhaust is engineered to last the life of the truck, and our Lifetime Limited Warranty provides you with quality assurance. Detailed instructions make for an easy at-home or professional installation. Please call 800-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information.
