

DESCRIPTION

Owners of the Hemi powered 2005-2010 Jeep Grand Cherokee who have been searching for the ideal exhaust can now relax. Flowmaster proudly introduces our all new stainless Cat-back exhaust, part number 817534, for the 5.7L Jeep. Featuring our Super 50 Series muffler, as well as 3.00" CNC mandrel bent tubing, this American Thunder exhaust provides a moderate performance tone inside and out, along with the performance benefits you expect from Flowmaster. This 50-state emissions legal system is a direct bolt-on with no vehicle modifications needed. A polished 3.50" stainless tip provides a finished look. Fully detailed instructions and all necessary hardware allow home mechanics and professionals alike an easy job installing this US manufactured 409S Stainless Steel exhaust system, and our Lifetime Limited Warranty provides assurance that it's the last exhaust your Hemi Jeep will need. Please call 800-544-4761 or visit www.flowmastermufflers.com for more information.
