

## DESCRIPTION

For owners of the 2010-2012 Camaro SS equipped with the 6.2L engine, Flowmaster proudly introduces our all-new 409S Stainless Steel Force II Cat-back exhaust, part number 817528. Engineered to fit both the hardtop and convertible (without the Ground Effects package), this 50-state emissions legal system features 2.50" mandrel-bent tubing throughout, with polished 4.00" tips for a finished look. Our patented Scavenger X-pipe and custom-tuned special build mufflers provide a moderate exterior tone, and a mild interior sound level that is suited to owners looking for all the performance and mileage benefits you expect from Flowmaster, while maintaining a pleasant experience inside the vehicle. Manufactured in the USA, this stainless exhaust is covered by our Lifetime Limited Warranty and comes with fully detailed instructions, as well as all necessary hardware for an easy at-home or professional installation. Please call 800-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information.
