

DESCRIPTION

Ford's Fox Mustangs are the performance car of choice for many, and Flowmaster now proudly offers a 'shorty' header that is equal to the car. Part number 814221 is our new stainless steel 50-state emissions legal header for the 1986-1993 5.0 Mustang. Our Scavenger Series® Elite headers feature warp-resistant 3/8-inch flanges and 14-gauge 1 5/8-inch primaries, and are ceramic coated for both long-lasting appearance and durability.

Bolting directly to the OE emissions equipment, the headers include all necessary hardware for an easy installation, and our One Year warranty provides assurance of a quality product. Please call 707-544-4761 or visit www.flowmastermufflers.com for more information.
