

DESCRIPTION

In exciting news for owners of the ever popular Jeep Wrangler, Flowmaster proudly introduces our new Scavenger Series® Elite header for the 1991-1999 4.0L Wrangler. Featuring a laser cut 3/8" flange and 14-gauge stainless tubing, part number 814420 provides increased performance and efficiency for the inline engine with its 6-2-1 construction.

The header bolts directly to the OE converter and is 50-state emissions legal. Silver ceramic coating provides a great appearance as well as long-lasting protection and heat management. A One Year warranty is provided for peace of mind and installation is made easy with the included gaskets and hardware. Please call 707-544-4761 or visit www.flowmastermufflers.com for more information.

- **Stainless Steel Construction**
