

## DESCRIPTION

Flowmaster proudly introduces our new Scavenger Series® Elite 'shorty' header system for the 2009-2012 Dodge Charger R/T, Challenger R/T and Chrysler 300C, equipped with the 5.7L Hemi engine. Part number 814321 features 3/8" laser cut flanges and 14-gauge 1 3/4" stainless primary tubes for maximum efficiency and performance for both stock and modified Hemi engines. With the durable silver ceramic coating and a One Year Warranty, these headers are built for long term performance and durability, and are easily installed at home or by a professional with the included gaskets and hardware.

Please note, this product is legal only for off-highway use (except in California or states that have adopted California emission standards), racing use or for use on pre-emission-controlled motor vehicles/motor vehicle engines (pre-1966 domestic vehicles certified to California standards, pre-1968 domestic vehicles certified to federal standards and all pre-1968 foreign vehicles), per the application guide. Please call 707-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information.
