

DESCRIPTION

Flowmaster is proud to announce the availability of our new all-stainless 817390 Header-back exhaust system for Dodge and Plymouth B-body muscle cars. Engineered as a direct-fit bolt-on for the 1968-1970 Coronet/Charger/Super Bee and Belvedere/Satellite/Roadrunner/GTX, this 2.50" American Thunder dual exhaust features our popular Super 40 Series mufflers as well as mandrel-bent pipes throughout.

Developed for maximum power and efficiency and manufactured in the USA, the 817390 provides an aggressive sound inside and out, and delivers the performance gains you expect from Flowmaster. A Lifetime Limited Warranty provides long term quality assurance for the 409S stainless system, while the included instructions and all needed hardware make at-home installation an easy job. Please call 707-544-4761 or visit www.flowmastermufflers.com for more information.
