

DESCRIPTION

For owners of 2006-2011 Honda Civics, Flowmaster is proud to introduce their performance exhaust solution. Part number 817578 is our all new 409S stainless steel Cat-back exhaust for 2- Door Coupe and 4-Door Sedan models equipped with the 1.8L engine. Featuring our patented Laminar Flow dBX muffler and a custom-tuned resonator as well as mandrel-bent 2.25" piping throughout, this bolt-on system delivers the performance gains you expect from Flowmaster, along with a deep performance tone outside and a milder interior sound for daily drivability. The system is capped off with a highly polished, 3.5" diameter stainless steel tip that carries the Flowmaster logo. Made entirely in the USA, this system is protected by our Lifetime Limited Warranty and includes all the necessary hardware for an easy at-home or professional installation. Please call 707-544-4761 or visit www.flowmastermufflers.com for more information and product videos.
