

DESCRIPTION

To further fill out our line of performance exhaust accessories, Flowmaster is excited to announce the arrival of several new exhaust tips in styles and sizes to complement most any car or truck. Manufactured from T304 stainless steel, these unique tips incorporate polished or brushed bodies with silver or black anodized aluminum trim and laser-etched logos to provide a modern performance look to any vehicle's exhaust. Double-wall construction means no discoloration from heat, even on today's emissions vehicles. Manufactured to state of the art standards, the tips are covered by our 3-year limited warranty for assurance of our legendary Flowmaster quality. Please call 707-544-4761 or visit www.flowmastermufflers.com for more information, part numbers and product images.
