

DESCRIPTION

For owners of Volkswagen's 1999-2001 Jetta sedan, the choice for custom exhaust just became very clear. Flowmaster proudly introduces our new dBX Cat-back exhaust system for the 1.8T and 2.0-liter Jettas. Featuring our dBX Series Laminar Flow muffler and mandrel bent 2.25" pipe throughout, this all T409 stainless steel exhaust bolts on directly behind the OE converter for 50-state emissions legality, and exits in the stock location with a fully polished dual stainless tip. Delivering a deep performance tone outside, this exhaust provides the performance and mileage benefits you expect from Flowmaster with a mild interior sound level that will please most any enthusiast. Included with the system are detailed installation instructions and Flowmaster's Lifetime Limited Warranty, for long term peace of mind. Please call 707-544 4761 or visit www.flowmastermufflers.com for more information and product videos.
