

FOR IMMEDIATE RELEASE

1965-1968 Chevy Wagon Tailgate Seals

DENVER, NC (4/5/2011) – Now available from Steele Rubber Products is a quality crafted tailgate gasket for 1965-1968 Chevrolet Wagons, including Biscayne, Bel-Air, Impala, Caprice, Catalina, Bonneville and Executive. This part was crafted from original parts and manufactured in the United States, helping to protect your wagon from water, noise and weather. Steele brand weatherstrips have an authentic look and are made with heat and ozone-resistant rubber compounds. Close attention to detail ensures the highest quality fit and appearance. Steele stands behind all products by offering a money-back guarantee if a customer is not completely satisfied.

Part Number: 70-3299-85

Steele Rubber Products manufactures and supplies automotive restoration rubber parts and weatherstripping for American-made cars, trucks and street rods. With over 12,000 parts, Steele offers quality rubber parts for vehicles from the 1920's through 1990's.
