**For Immediate Release:**

Moroso re-releases the vintage "GRUMPY'S TOYS ARE BUILT WITH MOROSO PRODUCTS" poster.

Back in the 1970's as an homage to his close friend, and being the great marketer that he was, Dick Moroso had a poster commissioned called "GRUMPY'S TOYS" ARE BUILT WITH MOROSO PRODUCTS. The posters were an instant success and quickly sold out. In the decades since the poster was introduced racing fans and Moroso customers have been clamoring for another run of the now iconic poster featuring "Grumpy" hard at work on his "toys".

In 2011 Moroso took the first step in bringing "Grumpy's Toys" back. A vintage style t-shirt was issued featuring the poster art on the back. Since "Grumpy's" death Moroso's company representatives have been asked repeatedly when another run of the poster was going to be released. Racing fans...the wait is over. "The Grump" lives!

In homage to the life and accomplishments of Bill "Grumpy" Jenkins Moroso has produced a limited run of the "Grumpy's Toys" poster. The purchase price of each poster includes a \$5.00 donation to D.R.A.W, the Drag Racing Association of Women. D.R.A.W. is a recognized 501©(3) charitable organization that provides financial and emotional support to qualified individuals involved in Drag Racing Accidents at the track.
