

DESCRIPTION

Adding to Flowmaster's line of state of the art catalytic converters, these new metallic substrate units are for severe duty/high temperature applications. Manufactured in the USA to exacting standards, Flowmaster converters meet or exceed all OEM and USEPA standards and requirements for many pre-OBD and OBD II applications. Protected by a 25,000 mile performance/emissions warranty as well as a 5-year/50,000 mile warranty on the exterior casing, Flowmaster's stainless steel cats are designed for long lasting durability.

Please note, these Flowmaster catalytic converters are not legal for sale or use in the state of California. Please call our tech line at 707-544-4761 or visit www.flowmastermufflers.com to find out which is the right converter for your application.

- **Metallic substrate material for severe duty applications**
- **Meets all EPA 49-state requirements**
- **25,000 mile warranty on internal components**
- **50,000 mile/5-year warranty on exterior casings**

Part numbers:

2000120 – 2.00" In/Out, 4.00" Diameter Body

2000124 – 2.25" In/Out, 4.00" Diameter Body

2000125 – 2.50" In/Out, 4.00" Diameter Body

2000130 – 3.00" In/Out, 5.00" Diameter Body
