

RaceQuip Ribbon Window Nets

RaceQuip Ribbon Window Nets are constructed of heavy-duty 1" polypropylene webbing and nylon thread for maximum durability. For over a decade, we have utilized jig-built construction techniques which ensure consistent size, shape, and fit.

- *Exceeds SFI 27.1 Rating*
- *Popular 18"x24" Nets Available in Six Colors*
- *Six New Specialty Sizes Available*
- *Constructed of Premium 1" Polypropylene Webbing*
- *Jig-built for consistency*

Available in black, red, blue, yellow, orange and purple. Our standard size is 18"x24" which will fit most window openings. Six new specialty sizes now available. All exceed SFI 27.1 specifications.

RaceQuip also offers Mounting Kits that feature high quality steel with a durable zinc finish. Each kit includes all the hardware to secure the top and bottom of the window net.
