

## DESCRIPTION

For those with diesel trucks with DPFs and 4.00" exhaust, Flowmaster now offers our vented polished stainless tip alone. Part number 15318 is a 5.00" outside diameter tip with the Flowmaster name embossed proudly on its top surface. Featuring a slash-cut and a rolled edge, this clamp-on single-wall tip adds the perfect finishing touch to make your truck stand out in a crowd. The tip includes hardware and a three year warranty. Please call 707-544-4761 or visit [www.flowmastermufflers.com](http://www.flowmastermufflers.com) for more information and product images.
