

DESCRIPTION

To aid fabricators in building their custom exhaust systems, Flowmaster announces our new line of mandrel bends. Available in 2.00", 2.25", 2.50" and 3.00" diameters, the bends are of varying radii, from 3.00"-5.50". Bends are available from 45 to 180 degrees. Each pipe starts at 20.00-30.00" before bending, and are manufactured from 409S stainless steel.

Please call 707-544-4761 for personal assistance or visit www.flowmastermufflers.com for more information and product images.
