For Immediate Release

Granatelli 2005-2012 5.7, 6.1, & 6.4 Dodge HEMI Hot Street High Performance Coil On Plug Connector Kit w/Coil Packs

Oxnard, CA — January 7, 2013 - Now available from GMS are 2005-2012 5.7, 6.1, & 6.4 Dodge HEMI Hot Street High Performance Coil On Plug Connector Kit w/Coil Packs. More Power; The Granatelli Motor Sports Coil Packs make more power than the original weak factory OEM coils to improve throttle response proven to produce up to 18 more horsepower in forced inducted applications. Better Design, Better Fuel Economy. GMS's patented design features an improved spark that burns fuel more completely releasing all its potential energy translating into better fuel economy and power.

Plus this coil has 0 ohms of resistance, so it does not interfere with the radio or other electrical devices. The Granatelli Motor Sports Coil Pack is designed as a direct performance replacement upgrade for the 2005 to 2013 5.7, 6.1, & 6.4 equipped Dodge HEMI's. This coil pack is ideal for stock and modified engines.

- Direct OEM replacement, exceeds OEM specifications, OBD-II computer safe
- Increases energy to the spark plug exponentially over stock
- Adds up to 6HP on otherwise stock engines & 18HP in Force Inducted Applications
- 0 Ohm resistance, no RFI / EMI interference thanks to patented protector ring
- Patented design works with all fuel injection systems, street cars and race cars
- Solid stainless connector cable with stainless snap lock spark plug connectors
- 60,000 volt coils provide 40,000 more volts than factory coils, ideal for supercharged, turbo and nitrous applications where spark blowout from weak factory coils is common
- Improves mileage and throttle response

Granatelli coil packs are available wherever Granatelli Motor Sports products are sold. For more information, please call 1-805-486-6644 or visit www.GranatelliMotorSports.com.
