Speedway Motors Lightweight Aluminum Air Tanks

Get air where you need it with a [Lightweight Aluminum Air Tank](#) from Speedway Motors.

Speedway's Lightweight Aluminum Air Tanks are manufactured and welded to military test specifications and are pressure tested to 300 psi. The lightweight aluminum construction makes them easy to carry and move around the pits or your shop, while also preventing rust or corrosion and looking great in the process. These handy, easy-to-carry aluminum tanks are available in two different sizes. The 2 Gallon size measures 12x9.5x9.5-inches and weighs just 5.1 pounds, while the 4 Gallon tank measures 20x9.5x9.5-inches and weighs 7.3 pounds.

These Lightweight Aluminum Air Tanks are some of the latest product innovations from Speedway Motors, America's Oldest Speed Shop®, where we've made racing safe, fun and affordable for more than 61 years. Call today toll free at 800.979.0122 or visit us online at SpeedwayMotors.com.
