## **Speedway Motors Hot Rod Steering Adapters**

Speedway Motors is giving enthusiasts more steering wheel options with a new pair of Hot Rod Steering Adapters.

These new [Hot Rod Steering Adapters](#) replace the quick-release adapters on Speedway's popular [Hot Rod](#) and [Nostalgia Steering Columns](#), allowing you to use any common aftermarket 9-bolt steering wheel on these columns. The aluminum adapters are available in a rounded Convex shape (left) or a more angular Concave style and include a secure tension mounting plate plus all necessary hardware to attach the adapter to your steering column.

The Hot Rod Steering Adapters are just two of the latest product innovations from Speedway Motors, America's Oldest Speed Shop, where we've made rodding safe, fun and affordable for over 62 years. Call today toll free at 800.979.0122 or visit us online at [SpeedwayMotors.com](http://SpeedwayMotors.com).
