### Quarter Master® Driveline University Video: Clutch Basics

Lake Zurich, IL – The latest video from the driveline experts at Quarter Master® helps viewers better understand exactly how a clutch is put together and how it works.

Enroll at Driveline University as COMP Performance Group™ host Lauren Rosado teaches viewers all about clutch basics. This informative video defines common clutch-related terms like MOI and torque capacity, and it demonstrates how selecting a clutch is all about compromise. The video also features a variety of essential clutch terminology. Each part of the clutch appears on screen as helpful narration explains exactly what the part is and what it's used for. As a result, viewers are sure to have a better of understanding of complicated clutch components in only four minutes. All videos from Quarter Master® and the rest of the COMP Performance Group™ family are available at [www.cpgnationtv.com](http://www.cpgnationtv.com)
