

COMP Performance Group™ Brands Head Back To Du Quoin State Fairgrounds For 2015 Street Machine Nationals

Memphis, TN – Every June, Southern Illinois roars to life as thousands of muscle cars, street rods and other performance vehicles rumble into the Prairie State for the Street Machine Nationals. In 2015 the COMP Performance Group™ (CPG) will once again be right in the middle of the action.

Scheduled for June 26-28 at the Du Quoin State Fairgrounds, this year's "Picnic of Power" is expected to draw close to 3,000 vehicles and nearly 25,000 spectators. COMP Cams® will serve as the Main Stage sponsor, while TCI® will be an Event Level supporter. The event is a perfect fit for the CPG brands to showcase their wares and build relationships with thousands of like-minded performance enthusiasts. The CPG trailer will be on-site with products and apparel available from COMP Cams®, FAST™, TCI®, RHS®, Quarter Master®, Inglese™, ZEX™ and Powerhouse® Products, while technicians will answer questions and provide support each day. COMP Cams® Engine Builder Duels are scheduled throughout the weekend as well: In the competition two-person teams are pitted head-to-head to determine which one can assemble and run a Small Block Chevy in the shortest amount of time. What's more, the COMP Performance Group™ social media team will be on hand to document all the weekend's action on Facebook, Twitter, YouTube, Instagram and other platforms. For additional information on the event, visit www.streetmachinenationals.net.
