

Additional Speakers, Sponsors Announced For 26th Annual AETC[®]

Memphis, TN – The speakers and sponsors for the 26th edition of the Advanced Engineering Technology Conference™ are shaping up. A diverse lineup offers a broad range of perspectives on engine-building topics, and be supported by a wide range of brands with ties to the performance aftermarket.

Each December in advance of the PRI Trade Show, AETC[®] brings engine builders, design engineers, business owners, media members, parts manufacturers and racers together to attend seminars and share information on the latest technological advances. It's a networking and educational opportunity unmatched anywhere else in the country. Taking place over just two days, this year's event is scheduled for December 8 – 9 at the Indiana Convention Center in Indianapolis.

Notable speakers include Jon Kaase of Jon Kaase Race Engines, Bill McKnight of MAHLE Clevite Inc. and Jim MacFarland from E3 Spark Plugs among a host of others. Motor State Distributing is this year's title sponsor, with Performance Racing Industry serving as a partner in presenting. Platinum-level sponsors include COMP Cams, Mahle, Diamond Pistons and E3 Spark Plugs. Two dozen other brands have also signed on as gold- and silver-level supporters.

Registration is \$399.95 and spots are filling fast. To reserve a seat, visit www.aetconline.com
