

21st Annual AETC® Early Registration Bonus

Sign up by June 1st to save \$200 on admission to this year's Circle Track Race Engine Technology Conference – it's sure to be the biggest & most informative ever

For over 20 years, the Advanced Engineering Technology Conference™ (AETC®) has been presenting the very latest in cutting-edge automotive technology. This annual conference for engine builders, manufacturers, industry leaders and media members focuses on turning automotive theory into practical technology. The spotlight of the 21st annual AETC® will be on circle track race engine technology. Register today to receive a special \$200 discount and save your spot to come and learn power secrets from the industry's most well-known engine builders and engineering minds.

Save the date now, and plan on attending the 21st annual AETC® at the Orange County Convention Center in Orlando, Florida, on December 6-8, 2010. Everyone who signs up for the conference before June 1, 2010, will receive a special \$200 early registration discount – the deepest discount that will be available. However, space is limited to 350 attendees, so visit www.aetconline.com today to reserve your place at this monumental event. Admission into the AETC® also includes admission into the PRI trade show, which takes place immediately following the conference.

Motor State will return for their second year as the conference's title sponsor. Thanks to Motor State and other generous AETC® sponsors, attendees will be eligible for over \$30,000 in product giveaways and prizes. With the relaxed atmosphere of the AETC®, there will also be plenty of time to meet and talk with the speakers and fellow attendees.

The 21st annual AETC® will focus on circle track racing technology. However, the technology to be discussed bridges all makes, manufacturers and types of racing. The topics covered can be applied to virtually any engine platform and type of racing. From weekend racers to top professionals, everybody will discover new tips and learn about the latest race-proven theories.

For more information about the upcoming 21st Annual AETC™ taking place in Orlando, Florida, on December 6-8, 2010, call us at 1-866-893-2382, or visit us online at www.aetconline.com to register today.
