

Finally, an exhaust system as durable and strong as the trucks it's designed to fit. Flowmaster proudly introduces the 409S stainless steel 817328 Cat-back exhaust for the 2001–2004 Chevy and GMC 2500HD extended-cab and crew-cab trucks equipped with the 6.0 and 8.1 liter V8s. Featuring dual 3.0" inlets and a single 3.5" mandrel-bent tailpipe with a 4.00" polished T304 logo embossed stainless steel tip. This American Thunder system with its 50 Series Big Block muffler gives your truck an aggressive tone inside and out. Detailed step-by-step instructions and all necessary hardware are included to allow an easy, at-home installation. Like all Flowmaster 409S stainless products, the 817328 carries a limited lifetime warranty, to ensure this is the last exhaust your truck will ever need.
