

As part of our ever-expanding line of durable, American-made 409S stainless steel products, Flowmaster proudly introduces the all-stainless Super 40 Series mufflers. Featuring our patented Delta Flow technology, the 5.00" deep case of the Super 40 provides exceptional performance as well as a deep, powerful sound. The six new stainless part numbers represent the most popular Super 40's and will fit many applications. As with all Flowmaster stainless products, these mufflers come with our limited lifetime warranty for long-term quality assurance.
