

**NEW PRODUCT RELEASE**

For owners of the 1987–1996 Ford F150, the search for a long lasting, subtle performance exhaust is over. Flowmaster proudly introduces the 817135 Cat-back exhaust for all wheelbase F150s equipped with the 4.9L, 5.8L and 5.0L engines. Bolting directly onto the truck behind the OE catalytic converter, this 50-state emissions legal exhaust features our 70 Series Big Block II muffler and a single 3.00" mandrel bent tailpipe for a mild tone inside and out. Ideal for towing, this Force II system provides the performance and mileage benefits you expect from Flowmaster in a simple, easy to install package, with all necessary hardware and detailed instructions included. As with all Flowmaster stainless systems, a limited lifetime warranty provides long term assurance of product quality.

- **Stainless Steel Construction**
