

NEW PRODUCT RELEASE

For owners of 1993–1995 3.4 liter V6 Camaros and Firebirds, Flowmaster introduces the last exhaust system your car will ever need. Featuring the 80 Series Crossflow muffler, part number 817356 is an American Thunder system engineered specifically for these V6 cars for a moderate sound inside and out, as well as the performance and efficiency gains you expect from Flowmaster. The bolt-on system attaches directly behind the factory converters for 50-state emissions legality, while the fully mandrel-bent pipes finish with dual polished, 3.00" diameter Flowmaster-embossed 304 stainless tips. Packaged complete with detailed installation instructions and all necessary hardware, this easily installed system also includes Flowmaster's Limited Lifetime Warranty, for long term quality assurance.
