

NEW PRODUCT RELEASE

For owners of medium- and heavy-duty trucks searching for a high performance muffler, Flowmaster is proud to announce the availability of our 50 Series Heavy Duty (HD) mufflers in 409S stainless steel. Ideal for both stock and modified gas- and diesel-powered trucks, the HD Series mufflers provide the performance benefits you expect from Flowmaster with mild to moderate sound levels inside and out. Available in two popular 3.00" configurations to fit many applications, these stainless steel HD mufflers feature our Limited Lifetime Warranty, and will be the last mufflers your truck will ever need.

- **Stainless Steel Construction**
- **Patented Delta flow Technology**
- **Limited Lifetime Warranty**
- **Dyno Tuned For Maximum Performance**
