

COMP Cams® Chrysler Hemi Camshaft Degree Kit

Memphis, TN – The COMP Cams® Hemi Camshaft Degree Kit includes everything you need to degree your new generation Hemi camshaft in one convenient package.

COMP Cams® Chrysler Hemi Camshaft Degree Kits for 5.7L, 6.1L and 6.4L Hemi engines give you all the tools necessary to correct any minuscule errors and tolerances from your engine’s machining processes that can affect camshaft timing. Degreeing positions the camshaft for the best performance for your engine, so you get the most horsepower and torque possible out of your application. These COMP® degree kits contain everything required to degree a camshaft while the cylinder heads are off the engine. They come with a degree wheel, wire degree wheel pointer, cam checking fixture with metric adapter, 1" travel dial indicator, 5" dial indicator extension, crankshaft socket, TDC piston stop and instructions. All pieces are stored securely in the included hardcover, foam-padded plastic case. Degree Kits are also available for Ford Coyote Cams.

#4944
