COMP Cams® Circle Track T-Shirt

Show the world what kind of racer you are with the latest t-shirt from COMP Cams®

Everyone has a favorite sport; now you can show yours off in style. The new Circle Track T-Shirt from COMP Cams® reaches out to oval track racers and lets everyone know whose valve train products you use.

The back of this aggressive-looking shirt displays a large, full color graphic featuring stylized Modified, Sprint, Dirt Late Model and Asphalt Late Model cars tearing up the track underneath a distressed COMP Cams® banner. The slogan “Engineered To Finish First” appears below the image. The front of the shirt features the official COMP Cams® logo and “Absolute Leader In Valve Train Technology” slogan in front of a tribal-looking design.

The Circle Track T-Shirt’s 100% preshrunk, Gildan Ultra Cotton material will last for years and won’t shrink in the wash. Its dark, charcoal gray color hides dirt and stains, making it the perfect choice for wearing while working on your race car or attending any circle track race. When ordering, add a dash (-) followed by your size to the end of the part number. This t-shirt is available in unisex sizes Small through XXXL.

For more information about the COMP Cams® Circle Track T-Shirt or any other COMP Cams® merchandise, call us at 1-800-999-0853, or visit us online at www.compcams.com.
