

Gearheads4Life.com Mopar Environmental T-Shirt

New Chrysler version of the popular Gearheads4Life Environmental T-Shirt lets you poke fun at non-car guys while showing off your Mopar pride

Exclusively available at Gearheads4Life.com, the new Mopar Gearheads4Life.com Environmental T-Shirt has a message that is sure to get a laugh out of all muscle car fans.

The shirt's front displays an image of a Smart Car that no self-respecting car guy would drive, below the words "You Save The Environment." The reverse side features a 2010 Dodge Challenger above the words "I'll Save My Dignity." This new shirt is great for wearing to car shows or anywhere you want to show off your favorite brand while enjoying a laugh and poking a little fun at people who aren't gearheads or car guys.

The charcoal gray, Hanes 100% cotton tagless t-shirt won't show dirt and has no neck-scratching tag to bother the wearer. The dark color hides grime and stains, making it perfect for wearing around the shop or anyplace you want to grab attention and show the world that you are a true gearhead. Available in unisex sizes Small through XXXL. Available for online purchase only.
