New Holley Tech Service Hours

Date: 8-10-09

Holley Performance Products is pleased to announce extended hours of operation for our Technical Service department starting August 15, 2009. The new Technical Service hours now include Saturdays from 9:00am to 5:00pm CST as well as the normal 8:00am to 5:00pm CST Monday thru Friday. The Saturday hours are being added to offer our services during the time when many consumers and shops are installing our products. Holley's technical service group is located in Bowling Green, KY and provides over-the-phone assistance on Holley fuel systems, Hooker and Flowtech exhaust, NOS nitrous oxide, Earl's plumbing as well as Weiland superchargers and intakes.

The Holley Technical Service department can be reached at (270)781-9741.
