The large, full color back design features an all-new, edgy “tiki-style” transmission graphic above the words “Killer Performance Transmissions Since 1698.” The shirt’s front displays a smaller image of the special TCI® “Killer Performance” logo on the center chest. This trendy new shirt is perfect for wearing to car shows and cruise-ins to show off your TCI®-equipped ride.

The 100% preshrunk white Gildan ultra cotton tee won't shrink in the wash, and it will be cooler outdoors because of its light color, making it perfect for summer car events where you want to show the world what powers your vehicle. Available in sizes Small through XXXL.
